TRONIA SYSTEMS

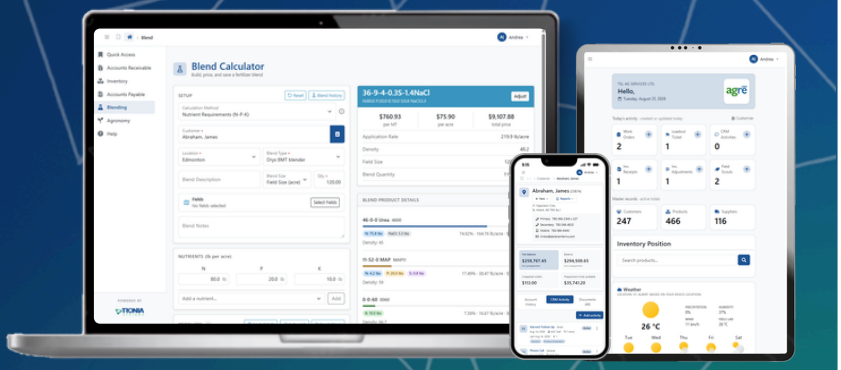
WEB-BASED APPLICATION FOR ON-THE-GO ACCESS

agrē Central

Ag Retail, Anywhere.

The power of agrē in your pocket — at the office, the counter, the truck, or the field. Runs in any browser, nothing to download.

LAPTOP · TABLET · MOBILE · NO APP TO INSTALL



KEY FEATURES

Everything your team needs, synced live with agrē

Web-Based Access, Fully Integrated with agrē

Access agrē from any device with an internet or data connection, synced with your agrē desktop in real time.

Any Device · No Downloads · One Source of Truth

Work Orders & Loadout Tickets

Get orders moving faster with mobile-ready work orders and loadout tickets.

Create · View · Update · Access Details · Link · Email

Customer Relationship Management (CRM) Activities

Track and manage customer interactions and activities from anywhere in the field so you never miss a beat.

Activity Tracking · Notes · Follow-Up · Live Updates

Customer Account Overview

View comprehensive customer account information and transaction history on the go.

Balances · Prepayment & Credits · Account History

Blend Calculator

Build custom blends from N-P-K nutrient requirements as you scout, with accurate pricing and quantities.

Dynamic Calculations · Instant Pricing · Orders or Quotes

Product Position Lookup

Pricing and availability, down to the location: search your full product catalog.

Price Check · On-Hand · On-Order · By Location

Inventory Receipts & Adjustments

Receive orders and adjust inventory to track misplaced, damaged or incorrectly entered items.

Adjustments · On-Hand Quantities · Supplier Accounts

Field Scouting

Log GPS coordinates and upload photos straight from the field, tied directly to the customer.

Acreage Tracking · Photos · Scout History

✓ 100% Data Integration | ✓ Real-Time Synchronization | ✓ Expanding Feature Set
